

Plein Air Workshop

Instructor: Celeste Mccollough

Location: Roswell Fine Arts Alliance

Confronting the world of nature in all its glory can be both inspiring and daunting. Learn how to turn the inspiration of a beautiful, 3D world into a lovely, two-dimensional painting. The workshop will include demonstrations, as we explore strategies to make plein air painting manageable and fun. Celeste will work with all students one-on-one. While Celeste works primarily in oil, other media are acceptable, so long as the student is experienced in the selected medium.
